## THE PROTECTION OF GOD

PASTOR ANDY KINDER

It is not an understatement to say: "God is in control!" Many people in our day and time do not know how beautiful it is to rest in the Lord. Life is difficult. I believe everyone that just read that statement would say, "Amen!" From the issues of inflation, housing costs, job issues, debt, health issues, and the list goes on...we see problems on multiple fronts. Yet, God is always there with us. He is fighting for us. In Psalm 27:1-4 we see the writer agreeing that many times the enemy will try to surround us on all sides. We acknowledge that hardships will come. Yet, like Job, Esther, David, Peter, and Paul, we see that God is always active in our lives. Through the good and the bad God is in charge. Many times, we do not trust God as we should because we cannot physically see Him. I breath about 12-20 breaths per minute on average and yet I can't see the air. I see the leaves on my tree moving, but I don't see the wind. I feel the great heat from the sun in the Summer, but I can't see the heat. How ironic it is that we cannot see certain things in life but we don't doubt their existence. I believe God is more real than even the invisible air that I breath in and out. From this understanding I can trust in God at all times. No matter how hard life gets - JESUS is always there! Where in your life do you need to 100% trust in God? He is there for you!
