THE STORM
PASTOR ANDY KINDER

In September 1989 a low-pressure system swept across the mid-section of Africa. As it traveled into the warm waters of the Atlantic Ocean, the system began to take on tropical characteristics. By the time it swept into the Caribbean islands, it was a major hurricane. This hurricane destroyed parts of Puerto Rico and then headed northwest toward the US mainland. Near Sullivan’s Island and the Isle of Palms on the South Carolina coast the eye of the storm struck. To this day, this storm lives in the minds of all those residents that lived along the coast and even inland. This storm is known by the name – HUGO. What a storm?

Life can throw storms our way. No matter what we do or what we go through, God is always faithful. Yet, the storm still rages, the winds still blow, the lightning still flashes, the thunder rolls – but God is still faithful. While the storm causes disaster and kills dreams – but God is still faithful. The aftermath is horrible and the evidence of the storm may remain for years - but God is still faithful. We must never lose sight of who God is. Through the storm – PRAISE HIM! Through the storm – TESTIFY OF HIS VICTORY! Through the storm – PRAY FOR THE MIRACLE! God is still more than able to bring us through ANYTHING! We speak miracles today over anything you are going through.
